

APPLICATION FOR FINANCIAL GRANT
from the
PAULA WHITSON MEMORIAL ENDOWMENT FUND

The Paula Whitson Memorial Endowment Fund was established by the Builders Class to honor the memory of Paula Whitson and to benefit the Volunteers in Missions program of the First United Methodist Church by providing a source of funding for volunteers who are unable to pay the entire cost of their VIM trip. In selection of recipients for financial grants, the Board of Trustees will give first consideration to members of the Builders Class and their families who volunteer to participate in a VIM trip sponsored by FUMC. However, all members of FUMC and their families are eligible for grants. The amount of each grant shall be no more than 50% of the cost of a VIM trip. Selection of recipients will be based on, among others:

- Potential for Christian witness
- Prior involvement in Missions work
- Financial need

The completed application should be submitted to:
